Opt In for the BOA Trip to Indianapolis.

I understand by selecting this option that I am to pay for the trip in full, regardless of circumstances. I understand that I am to make all payments on time as listed in the schedule above and recognize that each payment is critical for enabling the group to travel. I understand that I may not be allowed to participate in summer rehearsals, pre-band, and/or school rehearsals if payments are not made on time and in full.

I commit to keeping myself in good academic standing, maintaining my eligibility status throughout marching season.

I understand that I need to be familiar with all the rules and regulations set forth in the Trip Fund Policy and the High School Band Handbook.

I understand that failure in any of these areas will result in loss of payment(s) without refund and loss of participation points allotted for each trip as prescribed in the band handbook.

Opt Out for the BOA Trip to Indianapolis.

I understand that by selecting this option that I am choosing to opt out of the trip, that I will not be held financially responsible, and that I will not be penalized academically. I understand that while my role may be limited or reduced in order for the group to be fully prepared for competitions and performances throughout the marching season, I am still expected to be at all rehearsals, contests, and performances that are not associated with this trip.
